

AT A SPECIAL open meeting of the Mokena Chamber of Commerce held Feb. 5, Will Tuttle (left) president of the chamber, and Jim Cooper, vice - pres., discuss the topics of business development and civic beautification.

The purpose of the meeting was to make all groups aware of the common problems of the community with an airing of grievances and a discussion of what can be done.

Community Development Theme Of Mokena Chamber

The Mokena Chamber of Commerce held a special open meeting on Monday, Feb. 5 with representatives from area service clubs and taxing bodies. The meeting was planned and conducted by James Cooper, vice president of the Chamber.

Three broad divisions of village needs were discussed. Under the topic of Business Development the topics of civic beautification, the attracting of new industry, off-street parking and the fate of the Rock Island parking lot were discussed.

Under government Affairs

zoning and annexation were the subjects included. The third heading was Civic Development with storm sewers being the major topic.

The purpose of the meeting was to make all groups aware of the common problems of the community with an airing of grievances and a discussion of what can be done. The major lack of a village policy and plan for growth was mentioned.

Service clubs and taxing bodies represented included the Mokena Village Board, Tony Dina; Mokena Fire Department, Robert Rust and Roy Kerner; School Board, Jim Tilsey, Bud Warning and Chuck Burkhart; Women's Club, Barbara Morrill; PTS Rosemary Best; Lions, Jim Marti; Garden Club Belva Holleman and Book Club, Marcia Miller. The Chamber was represented by Cooper, President Will Tuttle and Cadet Cottingham.

Train Hits Car But "Doc" White Unhurt

His car trapped between the gates on the Mokena St. grade crossing late Monday afternoon, Ival C. (Doc) White, a village employee and operator of Doc's restaurant close by, leaped to safety when an east bound passenger train bore down on him and was in the clear when the train hit the auto.

The car was wrecked but the train was able to proceed to Chicago.

Witnesses told Police Chief Roy Newton that White had stopped when the gates

went down. A west bound train passed and the gates were lifting when White drove onto the crossing, unaware that an east bound train was approaching at a fast pace. When he did see the train he is said to have started to back his car but the gate had dropped behind him and he was trapped.

There was time for him to get out of the car and get clear of the crossing that he did. The accident occurred about 5:35 o'clock.

Planning Necessary To Meet Demands Of Growth

Community planning will be the topic of the discussion at the next meeting of the Mokena Chamber of Commerce which will be held at 8 p.m. next Monday night (Feb. 19) in Willowcrest School. The public is invited.

Rolf Campbell, director of urban resources planning division of Tec-Search Inc., of Wilmette.

Tec-Search is the firm of planners that drew up the master plan for Mokena and Frankfort in 1960 and Campbell is one of the men on that assignment.

With completion of I-80 thru this section it is expected that the territory will have a tremendous growth. And should a major airport be located in Green Garden Township development of the area would be fantastic, planners say.

It has been pointed out repeatedly in the past by planners and geographers that the southwest suburbs, being the only open space

left in the Chicago region, will experience great growth, similar to that in the north-west suburbs.

In order to be ready for such growth communities are advised by the experts to bring their master plans up to date while those that do not have plans are advised to take immediate steps to get them.

When growth is not controlled, the planners say, chaos can result.

New Lenox is having a plan drawn up and Frankfort is at work revising its plan. Orland Park has hired a planner to aid that area in preparing for the future. The Mokena Chamber of Commerce is pushing for updating the village plan and it is expected the village board will also push in that direction.

Not only will municipalities need to plan for what the futures is expected to bring to the area, it was pointed out. Individuals too

will face many problems, especially if the population growth is of an explosive character, it was said.

No one, it appears, wants to have a major type airport in his backyard or the yard next door. In recent discussions at Frankfort it was brought out that the Kankakee and Joliet Chambers of Commerce were not saying anything about establishment of airports in their close proximity. To have such an airport in Green Garden or Homer would be convenient and without the noise.

An airport in either Green Garden or Homer is going to be annoying to all communities within a 10 mile radius, it is said by those who have made a study of the subject. But if an airport is placed in Green Garden the people in neighboring communities are likely to find the noise a big problem.

But that is only one of numerous problems, planners

THE PHYSICAL EDUCATION department of Lincoln-Way High School is in the process of experimenting with a program for special education students. This program will run for two semesters, and at the end of the school year the director and teachers shown above will evaluate the students progress within both semesters.

Those participating are left to right: Martin Mackay, director of special education program; Robert LeZotte, Physical education teacher; Mrs. Judith Birge, special education teacher, and Jerome Wiedman, head of physical education dept.

Will-Cook Soil Dist. Wins Coveted Award

BY VIRGINIA SASS

In recognition of receiving top honors in the annual Goodyear Soil Conservation Awards Program for 1966-1967, awards were presented at the annual meeting of the Will-South Cook Soil and Water Conservation District at the Plainfield High School, Feb. 7. The continuing purpose of the Goodyear Awards Program which includes 50 United States and Puerto Rico, is to stimulate the efforts of America's soil conservation district bodies to encourage proper resource conservation. The winning Will-South Cook District was selected by a state judging committee. Decisions were based on the work records of the district rated according to a point system score sheet.

Framed certificates of merit were presented by A. H. Franzen of the Goodyear

say. Residents accustomed to a small town or rural environment will have many problems to contend with if they suddenly find themselves caught up in a mushrooming population that can build cities in a matter of weeks.

Great changes will be brought about in their habits, their way of life and there will be many, many things they won't like, so they are going to have to do some planning too, it was brought out.

So far no one has set up planning programs for individuals but someone has suggested the establishment of a tranquility school.

Tire and Rubber Company to district board members: Richard McHugh of Manhattan, William Stelter of Tinsley Park, Erwin Schmaedeke of Mokena, LeRoy Deutsche of Crete and George Archibald of New Lenox. An award was also presented to the outstanding conservation farmer, Robert Burch of Lockport.

Since the district was the first place winner in the state, it was eligible to send one member of its board, together with its outstanding farmer on an all-expense paid vacation study trip to Goodyear Farms, Litchfield Park, Arizona. McHugh and Burch, the dual winners, talked and showed slides of this trip which they enjoyed in December.

Over 200 people were in attendance, representing the city and suburban areas as well as the farms. A ham dinner was served at 6:30 p.m. by the Choir Boosters of the Plainfield High School. The meeting which was called to order by Chairman Stelter, included annual reports. Activities and accomplishments, reviewed by Schmaedeke, emphasized the Pond Demonstration held last September and the Conservation Education Program. Slide programs and conservation materials are available to schools, scout, adult and youth groups. Directors elected to the board were Ed Berens of New Lenox, Conner B. Shaw of Mokena and Stelter.

John McNair, manager of the Federal Land Bank of

Joliet, in observance of the golden anniversary of the Federal Land Bank, presented a plaque award to the district. This is in acknowledgement of distinguished service to agriculture and its related interests.

The Rev. Elwin W. Mueller, National Committee Member of Soil and Water Conservation Districts, instilled the audience with a fuller realization of their great responsibilities as stewards of the land as he spoke on the subject, "People Must Have a Mind to Conserve."

Entertainment was provided by the Dixielanders, a local band.

Examination Is Open For Postmaster

When Mrs. Margaret O'Brien retired as Mokena postmaster, Jan. 12, Leonard Decker, 20017 Scott St., was appointed as acting postmaster. Decker, a former state trooper and at the time of the appointment a member of the security department of the Chicago Heights Ford plant, has also served as a substitute rural carrier.

Before any final appointment is made there will be an examination under U.S. Civil Service rules which is open to any citizen between 18 and 70 years of age in good health who resides within the Mokena post office delivery area, it was said. An application form, E-143AB is available at the Mokena post office.

Such applications must be mailed to U. S. Civil Service Commission, Washington, D. C. 20415, and postmarked not later than Feb. 20.

The Civil Service commission sent a notice of the examination to Will Tuttle, president of the Mokena Chamber of Commerce and asked the Chamber to publicize it.

be held at the home of Mrs. Anthony Zakaras of Palos Park, Feb. 19 at 8 p.m., and on Tuesday, Feb. 20 at 9:30 p.m. at the home of Mrs. Thomas Osborn in Orland Park.

The January meeting of the Orland Park Homemakers was held in the Farm Bureau with 18 members present. Mrs. Marcia Pettit was the guest of Mrs. Ruth Uitto. The lesson for the evening was given by Mrs. Pat Perry. The lesson was on selection and finishes of fabric, what to look for and how to buy certain finishes. Mrs. Ruth Uitto and Mrs. Mildred Bormet were hostesses for the evening. The Counties Officer Training for all Southern Extensions was held Feb. 1, in the Tinley Farm Bureau. The next meeting will be held Feb. 16 at 7:30 p.m. in the Farm Bureau. The lesson for the evening will be "Delinquency is Our Own Concern", which will be given by Mrs. Sally Cooper and Mrs. Viola Sickman. All members are encouraged to attend.

The Prayer meeting of the First Baptist Church of Orland Park was held at the home of Mr. L.M., Jr. and Mrs. Lowe, 14618 Birch, Wednesday, Feb. 14, at 7:30 p.m.

The February meeting of the Orland PTA will be of special interest to parents because the program will center around children's learning problems.

A film, "Why Billy Can't Learn", will explore various types of learning difficulties and effective ways of handling them. Mrs. Olive Jeffery, Special Education teacher, will answer questions from parents concerning these problems. She will also discuss the Special Education

program for youngsters with more severe learning handicaps. The meeting will begin at 8 p.m. Tuesday, Feb. 20, at the Orland Center School.

The Auxiliary to the Orland Park Firemen will meet in the fire hall, Monday evening, Feb. 19 at 8 p.m. Mrs. Joan Juarez and Ann Zwich will serve as hostesses for the evening.

The regular meeting of the Orland Park Woman's Club will be held at the Community Center Foundation, Wednesday, Feb. 21, at 1:30 p.m. with Mrs. Earl Fuller, president, presiding. The program will center around Conservation of which Mrs. Edwin Stutzman is chairman. A Sound and Color movie entitled "Nature's Choice" presented by Vivian Jeanette Rankin, Education Representative, Department of Conservation, State of Illinois. Mesdames, Edwin Stutzman, R.J. Campbell, Stewart Loebe, Edward Gee and George Steinhagen are the hostesses for the day. Friends are welcome to attend.

The Methodist Men will hold their regular Sunday morning breakfast and meeting, Sunday, Feb. 18 at 8 a.m. in the church basement.

Ash Wednesday, Feb. 28 will begin the Lenten service with Holy Communion, combined with Palos Heights Methodist Church. Special music by the 2 Chancel Choirs.

Well, your long lost reporter has finally returned to the fold after a very disheartening experience with a few disinterested people who just do not understand plain english as I write it. I shall not elaborate any further as the matter is too juvenile to waste proper words on. I will however, endeavor to write my column in the future with the same enthusiasm as has been done in the past for which many, many people have encouraged me to do regardless of the few who permeate the area with misinformation.

Now on to the better things in life such as our Valentine Day dinner. Eight of our local couples spent Saturday evening, Feb. 10, celebrating St. Valentine's Day with a nice dinner at D'Ercole's restaurant at 147th & Cicero. Attending the festive occasion were the following: The Herschel Wood's, W.J. Cobbs, James H. Peyton's, Thomas Sumner's, Julius Sandy's,

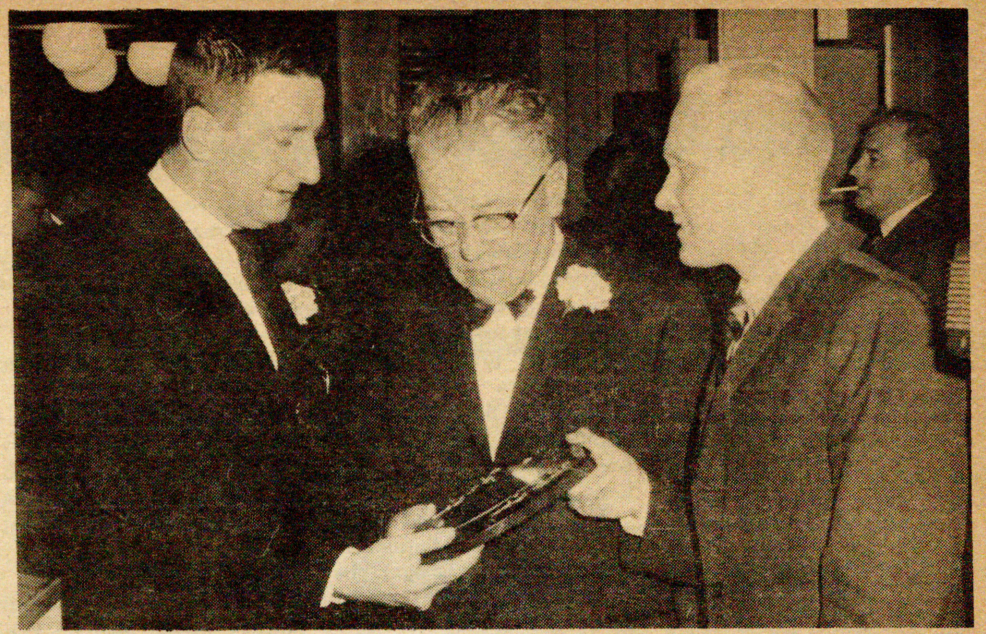

Ross Horton's, Lou Cerny's and Leonard Bushen's. All agreed they had an exceptionally nice time.

As you all know the Tinley Gardens Homeowners Assoc. now meets on the first Tuesday of each month and there are to be guest speakers for the next couple of months at least so let's come out and help make these informative meetings a real success. Our March speaker will be Mr. Berl Needham - Asst. Township Supervisor, who will elaborate on future industry - the benefits of the new I-80 and the possibility of a new airport in the Green Garden Area.

Our sympathy is extended to the family of Mr. James Ott of Pleasant Ave. on the recent death of his father in Pennsylvania.

Congratulations to Mr. and Mrs. Irving Newer on the recent birth of a baby daughter. No further information is available at the present time.

MAURICE ANGLAND of Mokena (center) was presented with a plaque from Donald Howarth (right) chairman of the Illinois Sesquicentennial Committee at a dinner held Sunday evening at Silver Lake Country Club. Angland who is a stockbroker with offices in Chicago Heights, received the recognition for his efforts in helping to expedite the completion of I-80 between Hazelcrest and Joliet in what he termed "the missing link" in the national system of expressways. A certificate from the transportation committee of the Sesquicentennial group was presented to Glenn Logan, editor of the Orland Park Herald and Will County Graphic Newspapers for his efforts in bringing the progress of the highway to the attention of readers. The two men had collaborated for five years in a combined effort to achieve the building of this section of the highway, with Angland doing the leg work and investigations and Editor Logan the articles that appeared in the Graphic newspapers. Angland also formed the Southwest Development Committee, on which Kenneth Webster (left) is a past president and who served as master of ceremonies at the celebration. Mr. Logan was unable to attend the function. (Paul Leland Photo)

N.L. School Board Revises Pay Scale

The Board of Education of New Lenox School District 122 has approved a revised salary schedule which provides \$6,200 for a teacher with a bachelors degree and no experience. With a bachelors degree and 15 additional semester hours training a teacher may progress to a salary of \$9,225 in fourteen steps. Teachers with the masters degree start at \$6,600 with no experience and progress to \$10,625 in seventeen steps with the masters degree plus 15 additional semester hours of graduate credit.

The board also adopted a plan to provide hospital-surgical insurance for all employees of the school district. Then the employee would have the option of purchasing a low-cost coverage for his dependents through a payroll deduction plan.

The revised salary plan and insurance programs were developed cooperatively with the board, administrators, and faculty committee.

Will Elect 2 To Frankfort School Board

Two persons are to be elected to the Frankfort Grade School board this spring. The terms of Dale Kratzberg and Kenneth Oetter will expire.

First day for filing nomination petitions is Feb. 28 and the last day for filing is March 23. The election will be held April 13.

Petitions may be had at the school office. Hickory and Oregon Sts. The office is open from 8:30 a.m. to 4:30 p.m., Monday thru Friday.

Lion Club Members, Guests Attend Sweetheart Dance

Telephone: 479-9321

A capacity crowd of Lions members, wives and guests filled the banquet room of the Blue Willow restaurant, Lockport, for the annual Sweetheart dinner dance held Saturday, Feb. 10.

Following a chicken-beef dinner entertainment was provided by The Great Mancini (the best of magic) who kept the audience intent on his slight of hand tricks; Steve and Helga dance team who sung and danced to old ballads as well as novel and new songs.

The act which was cleverly presented was an impersonation of the Smothers

Brothers by Marti Doory and Dave Larson. Comments concerning this act was very favorable and many thought both impersonators were superb and could easily be a stand-in for the professional comics.

Music for dancing and accompaniment for the acts was presented by the Gus Reno Trio.

The entertainment was secured by Joe Bernardin, chairman, and should be given credit for an excellent show.

St. Mary's Altar and Rosary Society will meet tonight at 8 p.m. in the all

purpose room of the church. Joe Kruzich, assistant superintendent at Lincoln-Way will speak about "Your child and your school."

Mr. and Mrs. Charles Swanberg, 19903 Mokena St., was recently elected president of Mu Phi and Honorary Music organization. She is a sophomore at Nebraska Wesleyan University, at Lincoln.

SPC Meeting Held Feb. 1, Plan For Memorial Day

On Feb. 1 at the Village Hall, those attending the SPC meeting were Mr. and Mrs. Gerald Francis, Dr. Robert Keener, Al Krusemark Jr., Gus Santore, Donald Stupp, Mrs. Donald Stephen, Leonard Gromnicki, Richard Trevartham, Mrs. Ronald Stopka, Mary Lou Saxon, and Mrs. Raymond Page.

Interest was expressed in checking with the village board to see what kind of insurance is carried on the community parks. The group decided to reserve the African Dip for use at the park Memorial Day.

The refreshment stand at the park showed a profit for

Preliminary Homemaker Winners

Senior girls in area high schools are among the preliminary winners in the America Homemakers of Tomorrow contest staged by Betty Crocker.

These girls now have a chance at the state title which carries the award of a \$1,500 scholarship and a \$500 grant, plus opportunity to compete for the national title.

Area winners are, Karen J. Stegner, of Lincoln-Way; Mary Jo Harper, Providence, New Lenox, and Kathleen M. Cassidy, of Sacred Heart, Mokena.

the 1967 season of \$1,132, which is used to pay for the Babe Ruth baseball program for boys 13 and 14 years of age. It buys insurance, uniforms, and equipment. Mrs. Gerald Francis and Mrs. Donald Stephen will operate the refreshment stand again this summer with the assistance of volunteer women and high school girls. They would appreciate help in the stand on Memorial Day during the summer baseball games and in the fall for Sauerkraut Day.

After a week vacationing in San Francisco, Mr. and Mrs. Lynn Kohlhausen and Mr. and Mrs. Merrill Cooper of Orland Park returned home last Sunday evening. They spent part of the time at Lake Tahoe skiing.

The womens fellowship of St. Peter's Church are having their meeting at the church fellowship hall, Thursday afternoon, Feb. 29, starting at 1:00 p.m. Mrs. Lynn Kohlhausen will be in charge of the business meeting. Hostesses are Mrs. Walter Zollner and Mrs. Wm. Bettenhausen.

Dear friends,

It deserves repeating that Social Security benefits, whether for lump-sum death benefits or other payments to survivors, are never paid automatically. Proper application must be made to the local Social Security field office in order to secure payment of benefits. We are glad to assist in this matter so that benefit payments to survivors are not lost thru ignorance or neglect.

Can Still Qualify Delegates To Caucus

Chairman of the Executive Committee of the District 230 Caucus, William Nebe, has advised that organizations who are composed of 20 or more members, and who have as their purpose the general community welfare, may still acquire the necessary credentials to send delegates to the next caucus meeting.

Delegates must be qualified voters of District 230 (Stagg and Sandburg high schools) and they may be appointed or elected by their organizations. In order to secure credentials for your

club or organization contact: Gene Aspel 349-6577, Alice VanderVeen 424-4028 or Jackie Katzman 448-3781.

Participation of a cross section of organizations in the entire community assures the caucus of obtaining the best qualified candidates to serve on the school board.

Mrs. VanderVeen who is chairman of the candidates screening committee says the committee is still seeking candidates to run for the two vacancies on the school board. To submit names of possible candidates contact Mrs. VanderVeen, 424-4028.

L-W Bests Mustang Basketeers, 86-62

Lincoln-Way shooters had a good night against the Evergreen Park basketball team last Friday night. They were hitting from all angles and this fact plus a stout defense enabled the Knights to wallop their SWS Conference foe 86 to 62.

The Lincoln-Ways began scoring early and maintained a steady pace thereafter. The Knight had a 22 to 11 edge at the end of the first frame and 42 to 22 at the half. In the third quarter the Mustangs outscored the Knights 23 to 21, while Lincoln-Way made 23 points in the last quarter to 17 for the visitors.

High point man for the game was Meinyk, of Evergreen Park, with 19 which he piled up with seven baskets and five free throws.

Only one other Mustang was in double figures, Zdenek, with 12 points.

Pat McCabe was high man for Lincoln-Way with 16, with John Minger next with a 15 count. Fredin, Webb and Dillworth each chalked up 10 points; Mike McCabe, 8; Loucks, 7, and Otto, J. Martin, Jensen and Kruck, 2 each.

Lincoln-Way had a respectable .515 in floor shots made and .640 at the free throw line. Evergreen Park's field goal percentage was down -- .291 but the Mustangs hit .592 with free throws.

Pick Troy For Site Of Jr. Col. Campus

The board of Junior College Dist. 525 (Will-Grundy counties) has elected a campus site in Troy Township.

The board has an option on 368 acres. If the test borings are O.K., the site gets approval by the state junior college board and District 525 is successful in getting a bond issue over so that it has the money for the purchase, it will first acquire 200 acres with an option to acquire the remaining 168 acres later. The land will cost \$2,000 an acre which would bring the price of the entire tract up to about three-quarters of a million dollars.

The land is owned by the John and Theodore Richards families and lies along the south side of McDonough St. extended, a

quarter mile south of the Joliet Municipal Airport, Bush Rd. (or Airport Rd. some call it) is the east boundary and Rock Run Creek the west.

The site is about 1 1/4 miles east of U.S. 55 and should be about four miles from the junction of I-55 and I-80, as one would have considerable detouring between the two points.

The college district is having a bond referendum March 30 but hasn't set the amount yet. The board is talking about a \$30-million campus and those familiar with building point out that it is likely to be higher. The state is supposed to pay 75 per cent of the cost and the district 25 per cent. It is likely then that the bond issue will run between \$7-million and \$10-million, it was believed.

Sandburg Host To Reavis Five Friday

Reavis Rams, with conference leading scorer - 6-6 Mike Jacoby at the pivot, will visit the Sandburg Eagles Friday, Feb. 16, in a battle for fourth place.

Both squads have 5-6 rec-

ords and neither has much hope of catching third place Oak Lawn, currently 7-4 in SWSC action. The Eagles beat Reavis in a previous meeting 69-63.

Last Friday, the Eagles fell to conference leading Homewood-Flossmoor by a score of 71-53. Deadly outside shooting by the Vikings guards Bill Kroc and Jim Smith made the difference as Sandburg's shooting was not as accurate nor was the Eagles' defense as effective as H-F's, a team which went downstate to the final eight in Illinois basketball championship play last spring.

Smith and center John Kabbes eased H-F into a 17-12 first quarter lead. Kabbes scored 8 and Smith 6 in the first period. A pair of goals by Kurt Pnasek, three points by big John Sloan, and 5 points by guard John McBride kept the Eagles in the game the first quarter. Kroc drilled 10 points while each of his mates was getting at least one in the second quarter as Homewood pulled away to a 36-25 half-time lead.

The gap widened in the third period to margins like 42-27, then 49-29 with 2:05 left, and finally 53-35 at the end of three quarters. Leading point-makers at evening's end were Kroc with 18 and McBride with 19 for the Eagles. H-F took the prelim 47-43.

Vandals Make It Tough For Passengers

Persons boarding Rock Island trains at Mokena who find the waiting room locked, especially if it is raining, snowing or windy and cold--should save any hard words against the railroad.

Any discomfort they experience can be charged against vandals who for over a long period have caused considerable damage to waiting room walls.

Recently the walls were freshly painted only to be ruined by vandals, who not only smeared the paint but also made holes in the walls.

As a result the agent decided to keep the waiting room locked at such periods when he is not on duty at the station.

WORTH TALKING ABOUT

"Our free enterprise system is a coin with two sides; one is choice, the other responsibility. The more responsibility we exercise, the more freedom we will have to choose. The fewer problems we leave to government, the less we shall be taxed to solve them and the more we shall have to spend.

Mary G. Roebing
Chairman of the Board
Trenton Trust Company

"We are nearing a trillion-dollar-a-year gross national product. Between now and the year 2000, the nation will have spent several tens of trillions. Today's students have the choice, though the present generation does not seem to appreciate it, of either using such tremendous resources to arrange an individualized culture in which science and technology serve society to the fullest—or of misusing it to produce a robot, regimented society. The future is not fixed. The choice is up to the students.

Five Teachers Attend A Special Course At L-W

MRS. EDWARD HOVI
Telephone: 479-5740

Five of the staff teachers at the school are presently enrolled in a special course held at the Lincoln-Way High School. This course is being presented by Northern Illinois University in DeKalb. This brings to ten the number of Arbury Hills teachers who have taken continuing educational courses this year to keep their skills current and to improve on them.

The fourth and fifth grades are being re-organized in such a manner that the curriculum is being strengthened through the use of the teachers strong subjects. The classes will have the use of three teachers for different subjects.

The annual election for members of the Summit Hill School Board of Directors will be held at the school on Saturday, April 13.

The first day for filing of petitions will be Wednesday, Feb. 28 and the final day will be Saturday, March 23. The petitions are presently available at the school office and may be obtained from either Mrs. Griffin, the school secretary, or Mr. Avila, the school superintendent. The hours are from Monday through Friday during school hours, approximately 8:30 a.m. through 4 p.m. The petitions must be picked up in person.

The requirements for running for the school board in addition to the signed petition are: (1) a citizen of the United States, (2) a resident of the state for one year, (3) a resident of the county for 90 days, (4) a resident of the district for 30 days, and (5) a registered voter.

Please remember folks that in order to vote in the school election you also must be a registered voter

HOWARD C. RYAN, chief judge of the 13th Judicial Circuit, a resident of Ottawa, will seek the Republican nomination for judge of the Appellate Court of the 3rd District, at a convention in July. There is a vacancy on the appellate bench because of the death of Judge John Coryn. The 3rd Appellate District is made up of 21 counties stretching from Indiana to the Mississippi River across Northern Illinois. Will is one of these counties. Both major parties will hold conventions, made up of delegates from each county. Each county is entitled to one delegate for each 500 votes for the party nominee in the last gubernatorial election. Judge Ryan is 51 years old and resides at Tonic, in LaSalle County, with his wife and two children.

in the community.

Mothers, please try to get through to your school age children that walking down the middle of the street or sliding down the middle of the street only invites disaster.

The streets are frequently treacherous these winter days, especially after a thaw

and then a fast freeze. The ice is then particularly slick.

Children can too easily slip and fall in the path of automobiles on the ice, and drivers may not be able to stop in time on the slippery surface. We all value our children. Please tell them to use the sidewalks and take care in crossing at in-

tersections.

Registration for the coming baseball season will be held at the school on Saturday, March 2, from 11 a.m. until 3 p.m. Those boys wishing to register for the summer season must fulfill three requirements: (1) reside within the Summit Hill School District; (2)

have reached the age of eight (8) by August 1, and have not reached the age of fifteen (15) by Aug. 1; and (3) pay a registration fee of \$4 to cover the cost of insurance and the use of equipment including all uniforms and the baseballs and bats and etc.

The registration fee must be paid by March 9, and all

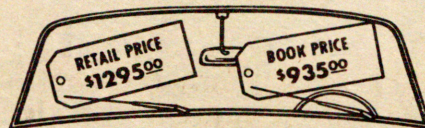

registration of boys must be made on March 2 even if you are not paying the fee at that time.

The Arbury Hills School is participating in the Illinois Sesquicentennial Celebration with a display of historical and Illinois centered exhibits on Washington's Birthday on Feb. 22.
